The Premier Educational and Networking Event for Specialists in the Field of the Diabetic Foot

Welcome to DFCon & the American Limb Preservation Society

The American Limb Preservation society (ALPS) is a non-profit 501(c)(3) organization whose vision and goal is to eliminate preventable amputations over the next generation. DFCon is the official annual conference of ALPS and a driving initiative in helping us work toward this vision.

ALPS believes that an interdisciplinary approach is the way forward to saving limbs and improving patient outcomes. We aim to serve as an interdisciplinary bridge between varied groups and organizations which play a role in lower limb preservation. In doing so, we strive to educate and empower healthcare personnel to engage and work with interdisciplinary teams to help ensure high-quality and patient-centered outcomes.

Interdisciplinary efforts also contribute to the continuation of development of research and treatments for patients with limb threatening conditions. Through the programs of ALPS and the education and scientific content at DFCon we will continue to advance the science, clinical care and advocacy of limb preservation and work to develop the next generation of clinicians, scientists, and clinician scientists in the field.

ALPS was founded to bring like-minded clinicians from different disciplines together to advance patient care and improve limb salvage outcomes.

We hope to welcome you on board!

”The American Limb Preservation Society and DFCon are pleased to collaborate with innovative corporate partners who understand the importance and sense of urgency for patients living with the risk of amputation due to diabetic foot complications. These are companies that put patient care and outcomes at the forefront of what they do.”

Georgia Krehbiel
Chief Executive Officer
of ALPS

Chairman's Welcome

Dear Friends,

On November 7 - 9, 2024, the 24th edition of the Interdisciplinary Diabetic Foot Conference (DFCon) is scheduled to take place in Anaheim, CA. This event provides a unique opportunity for members in the world-wide Diabetic Foot Space to discover, interact & collaborate with one another.

Each year, DFCon gathers influential speakers and delivers outstanding scientific content. This three-day conference allows the best in their field to come together and learn from each other. DFCon also serves as a hands-on, dynamic congress where delegates can use the experience to immediately bring impact to their daily clinical practice. You will learn more about the different topics and sessions on the following pages.

There is a challenge facing us: redefining the role of a medical congress in the 21st century. The clinician from twenty years ago is different from the clinician of today. Knowledge is now available at their fingertips.

The information is no longer an end in itself, it's a conversation starter. DFCon exists to facilitate this meeting of

physicians where ideas can be exchanged freely. DFCon is widely acknowledged as being a leader in discovery. Next-generation endovascular therapies, wearable robots, spray-on skin, sociomicrobiology, smart textiles, phage therapy, augmented reality and injectable sensors have all made their debut at DFCon.

DFCon is an opportunity to meet your customers, initiate new collaborations and find inspiration or even an investor. Your invaluable participation as a sponsor makes DFCon more accessible to delegates and provides you the opportunity to meet them in a setting away from the requirements of their demanding schedules.

Throughout the years, DFCon has been recognized as the premier scientific and educational diabetic foot event, but our ambition goes beyond that. It is always the hope to cultivate the advancements of our field and continue to learn from each other.

We hope you will join us on this exciting journey.

DFCon 2024 Faculty Speakers

The DFCon 2024 Faculty will
be announced in June 2024.

Target Audience

The DFCon 2024 program is designed for the wide spectrum of specialists and generalists who diagnose and manage the diabetic foot. Didactic talks, panel discussions, Q&A sessions, specialty symposia and workshops will delve into diagnostic and interventional strategies for diabetic foot ulcers and amputation prevention.

Featuring a world-renowned international faculty, DFCon 2024 offers the opportunity to review state-of-the-art concepts and techniques.

More than 500 Delegates from a wide range of specialties

Target Specialties

Podiatrists (DPM)
Vascular Surgeons
Wound healing specialists
Infectious disease specialists
Cardiovascular and
Endovascular specialists
Endocrinologists / Diabetologists

Target groups

Physicians
Nurses
Physician Assistants
Residents
Fellows
Nurse Practitioners
Physical Therapists

Support DFCon 2024

What sets DFCon apart

DFCon is the world's premier interdisciplinary diabetic foot conference in North America that offers the opportunity to review state-of-the-art concepts and techniques. DFCon is designed for a wide spectrum of generalists and specialists who diagnose and manage diabetic foot problems.

Our conference has widely been acknowledged as being at the forefront of discovery in this and other fields. Descriptions of next generation endovascular therapies, wearable robots, spray-on skin, sociomicrobiology, smart textiles, phage therapy, augmented reality and injectable sensors made their debut at DFCon. That's only the beginning.

The conference is comprised of didactic talks, panel discussions, Q&A sessions, specialty symposia, hands-on workshops and exhibitors that explore diagnostic and interventional strategies for diabetic foot ulcers and amputation prevention.

Benefits of joining as a sponsor or exhibitor

- ✔ Connect face to face with more than 500 clinicians, scientists and medical professionals from around the world
- ✔ Introduce & demonstrate new products and services
- ✔ Generate new sales leads
- ✔ Target highly influential decision makers and key opinion leaders
- ✔ Build visibility for your company in a competitive marketplace
- ✔ Expand your prospect base
- ✔ Strengthen existing customer relations
- ✔ Share the newest technological developments and clinical studies
- ✔ Meet potential investors, partners and distributors

Sponsorship Opportunities

Diamond ¹ available

\$ 75,000

- ✔ Exhibition 10' x 20' – first priority in choosing a stand
- ✔ Lunch symposium
- ✔ Use of a complimentary meeting room during the whole conference
- ✔ 15 free registrations
- ✔ Inner front and back cover advertisement in the final program
- ✔ Conference bag sponsorship
- ✔ 3 Meter board signs
- ✔ Logo on Step & Repeat
- ✔ 1 Door drop
- ✔ 2 Social Media acknowledgements
- ✔ 2 Newsletters to DFCon database incl. all registered participants
- ✔ 8 VIP Reception Tickets
- ✔ 15-min DFCon Spotlight Theatre (in the Exhibits Hall)

Ruby ² available

\$ 50,000

- ✔ Exhibition 10'x 20'
- ✔ Lunch symposium
- ✔ Use of a complimentary meeting room during the whole conference
- ✔ Full page advertisement in the final program brochure
- ✔ 10 free registrations
- ✔ 3 Meter board signs
- ✔ Logo on Step & Repeat
- ✔ 1 Door drop
- ✔ 2 Social Media acknowledgements
- ✔ 1 Newsletter to DFCon database incl. all registered participants
- ✔ 6 VIP Reception Tickets

Platinum ³ available

\$ 35,000

- ✔ Exhibition 10' x 20'
- ✔ Lunch symposium
- ✔ 7 free registrations
- ✔ 1 Meter board sign
- ✔ 1 Social Media acknowledgement
- ✔ 4 VIP Reception Tickets
- ✔ 1 Newsletter to DFCon database incl. all registered participants

Gold ⁵ available

\$ 25,000

- ✔ Exhibition 10' x 20'
- ✔ Breakfast symposium
- ✔ 7 free registrations
- ✔ 1 Social Media acknowledgement
- ✔ 2 VIP Reception Tickets
- ✔ Social Media promotional spots highlighting symposia content & speakers

Silver

\$ 12,500

- ✔ Exhibition 10' x 10'
- ✔ 5 free registrations
- ✔ 15-min DFCon Spotlight Theatre (in the Exhibits Hall)
- ✔ 2 VIP Reception Tickets

Bronze

\$ 10,000

- ✔ Exhibition 10' x 10'
- ✔ 3 free registrations
- ✔ 2 VIP Reception Tickets

All sponsorship packages include:

- ✔ Acknowledgement (incl. logo) in conference syllabus
- ✔ Acknowledgement (incl. logo) on opening slides, signage and on DFCon 2024 website
- ✔ Catering
- ✔ Electricity and wi-fi
- ✔ Pre-registration list (no emails)

Exhibition and Branding

Exhibitor

Become an exhibitor today, and secure your spot on this global stage. To ensure maximum interaction between exhibitors and delegates, lunch breaks and coffee breaks will take place in the exhibit hall.

10' x 10' \$ 8,000

10' x 6' \$ 5,500

Table top 6' \$ 3,500

The following items are included in the exhibition space:

- ✓ Table and two chairs
- ✓ 2 exhibitor registrations
- ✓ Electricity and wi-fi
- ✓ Pre-registration list (no emails)

Branding Opportunities

The below indicated prices are exclusive of the production costs.

DFCon Spotlight Theatre	\$ 5,000
A fast-paced format as a way for you to highlight your company & products. Located in the exhibit hall, your company will hold a 15-minute talk during the scheduled breaks. These spotlight moments will be announced in the program booklet, in the participant newsletter and at the venue. 6 timeslots in total 1 per each break.	
Virtual Event Platform Sponsor	\$ 5,000
Sponsor our virtual conference space for our online participants. Your company name and logo will be visible in the online conference space.	
Hotel Key Card Sponsor	\$ 5,000
Your company name on hotel key cards given to all delegates staying at the official hotel.	
Lanyard Sponsor	\$ 3,000
Your company name on conference badge lanyards.	
E-Blast (maximum 3 available)	\$ 2,500
Email with your message/invite sent out to all registered participants.	
Pens at registration	\$ 2,500
Branded pens distributed at registration desk.	

Support Education

DFCon 2024 Scholarship Sponsor

Support participation and education of the **next generation in limb salvage and diabetic foot management**. Help us identify and support early career health care professionals who are passionate about limb salvage and serving their patients better but would otherwise not be able to join. You will be actively helping ALPS to provide education and access to DFCon to the next generation of clinicians in limb salvage.

- ✔ Open to final year students and residents.
- ✔ Covers registration, travel and accommodation.
- ✔ Eligibility criteria co-defined by the sponsor and the DFCon 2024 Co-chairs.
- ✔ Application process managed by DFCon 2024 Secretariat.
- ✔ Awardees selected by DFCon 2024 Co-chairs and Course Directors.

Benefits for sponsors

- ✔ Acknowledgement on-site and online.
- ✔ Company logo and acknowledgement in connection with all announcements and promotion of the educational grant(s) – website, Social Media and newsletters.
- ✔ 5-minute thank you speech by Co-Chairs and Sponsors during DFCon opening.
- ✔ Photo op with the awardees during DFCon opening.

Costs

2 scholarships covering registration, travel and accommodation	10,000 USD
5 scholarships covering registration, travel and accommodation	20,000 USD

Accreditation Statement

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

Confirmed *AMA PRA Category 1 Credits*[™] will be determined upon finalization of the program agenda.

Important Note for CE Certification

The Nursing Board of California recognizes the *AMA PRA Category 1 Credit*[™] in lieu of a BRN number/CEUs. BRN numbers are not required when submitting your *AMA PRA Category 1 Credits*[™].

AMA PRA Category 1 Credits[™] may be accepted for other specialty boards. It is the responsibility of each delegate to determine with your specialty board the final CE units acceptable for maintenance of certification.

DFCon 2024 is delivered in collaboration with Keck School of Medicine of USC.

“The best DFCon I’ve ever attended. Conference space was amazing. It facilitated interaction with speakers, attendees, and industry.”

DFCon 2023 Participant

“It has been an amazing opportunity to deep dive into the issue, learn about the latest research and be inspired for the road ahead of us.”
